## **Wyoming Casing Service Acquires Francis Casing Crews**

On December 27, 2012, Francis Casing Crews, Inc. ("FCC") completed its sale to Wyoming Casing Services, Inc. ("WCS"). Francis Casing was advised by Waterview Advisors. Both companies provide the specialized labor and tools required to install wellbore casing during the final phase of drilling an oil or gas well. WCS has locations in Wyoming, North Dakota, Colorado, Utah, Pennsylvania, and Ohio. With the acquisition of FCC, WCS is now able to expand its service offering throughout much of Kansas, as well as parts of Nebraska, Oklahoma and Texas.

Waterview Advisors, Inc. is a Dallas-based investment bank that provides mergers and acquisition advisory, capital raising, and valuation services to middle-market companies with sales between \$5 and \$150 million. Together, the principals of Waterview have closed over 100 transactions and have been involved with well over \$1 billion in transaction value for business owners.
