PRAB Acquires Triple/S Dynamics

DALLAS, TX — January 14, 2011 — PRAB, Inc., a leading manufacturer of custom-engineered material handling and chip and fluid management systems, announced today the acquisition of Triple/S Dynamics, Inc. Terms for this transaction were not disclosed. Waterview Advisors served as the M&A advisor to Triple/S.

PRAB's global headquarters are based in Kalamazoo, MI, and it is also parent company to Hapman, whose equipment is used by world-wide corporations in the handling of powders and bulk solids. Triple/S, founded in 1888 in Dallas, TX, is recognized as a leading manufacturer of horizontal motion conveying systems, screening and separation equipment, and distribution systems for the entire processing industry, including bulk handling, waste and recycling applications.
